

BELINDA'S DOWN HOME COOKING

"Just like GrandMa's Cooking"

Belinda Hull, owner of Belinda's Down Home Cooking, wasn't able to find a restaurant in the metro Atlanta area that came close to the soul food she grew up enjoying and cooking, so she took a bold step and decided to create a restaurant to fill that void.

Belinda Hull, a native of Comer, Georgia, moved to the Atlanta area in 1972. She has been a realtor since 1979 and with RE/MAX 1st Class as a full time realtor since 1989. It's due to her love of people and desire to help others that she originally pursued a career as a realtor. Prior to becoming a realtor, Belinda was employed with General Motors in Doraville for 13 years.
